**For immediate release**

### **ACROMEC bags two contracts with an aggregate value of S\$5.4 million**

- **Added new customer in healthcare sector**
- **New win from existing customer in research sector**
- **Contract wins contribute to cumulative order book of approximately S\$52 million**

**SINGAPORE, 28 April 2016 - ACROMEC Limited** (“ACROMEC”, or the “Company” and together with its subsidiary, the “Group”), an established specialist engineering service provider in the field of controlled environments serving mainly the healthcare, biomedical, research and academia sectors has won two contracts totalling S\$5.4 million.

The first contract involves the fitting out of a lifestyle research chemical laboratory for a repeat customer at Biopolis, which is expected to be delivered within this financial year. The second contract awarded is from a new customer in the healthcare sector and involves the reconfiguration of existing operating theatres to improve operational efficiency.

Including the order book as at 8 March 2016 (as disclosed in the Company’s offer document dated 6 April 2016) and the contracts announced on 18 April 2016, the Group’s current order book stands at approximately S\$52 million.

Mr Lim Say Chin, the Executive Chairman and Managing Director of ACROMEC, commented: “We are pleased to serve a new customer from the healthcare industry and we thank them for their trust and support. We are also grateful to our existing customers who endorse their faith in us with repeat orders. ACROMEC will always place great importance in expanding our customer base with our established track record and strengthening relationships with our existing customers.”

These contracts will contribute to the revenue of the Group, and is expected to have a positive impact on the earnings per share and net tangible asset per share of the Group, for the current financial year ending 30 September 2016.

None of the Directors has any interest, direct or indirect, in the above contracts, other than through their respective shareholdings in the Company. As far as the Directors are aware, none of the substantial shareholders of the Company has any interest, direct or indirect, in the above contracts.

-- End --

**About ACROMECC Limited (SGX Stock Code: 1CH1)**

ACROMECC is an established specialist engineering services provider with 20 years of experience in the field of controlled environments. The Group has over the years acquired expertise in the design and construction of facilities requiring controlled environments such as laboratories, medical and sterile facilities and cleanrooms.

ACROMECC's business is divided into two main business segments: (i) Engineering, procurement and construction services, specialising in architectural, and mechanical, electrical and process works within controlled environments; and (ii) Maintenance and repair services of facilities and equipment of controlled environments and their supporting infrastructure.

The Group mainly serves the healthcare, biomedical, research and academia, and electronics sectors. Acromec counts amongst its customers, hospitals and medical centres, government agencies, research and development companies or agencies, research and development units of multinational corporations, tertiary educational institutions, pharmaceutical companies, semiconductor manufacturing companies, and multinational engineering companies.
